| ORAL<br>COMPREHENSION    | <p>I am new to the Croatian language or can understand familiar words and basic phrases about myself, my family, and my surroundings when people speak slowly and clearly. I can understand short, simple messages and public announcements.</p> | <p>I can understand the main points of clear, standard language on familiar topics related to work, school, and daily life. I can follow extended talks and most TV or radio programs on familiar topics when the speech is clear.</p> | <p>I can understand extended speech even when it is not clearly structured and when ideas are implied. I have no difficulty understanding TV, films, or any form of spoken language at natural speed once familiar with the accent.</p> |
| READING<br>COMPREHENSION | <p>I can understand familiar names, words, and very simple sentences in short texts such as signs, ads, menus, and schedules. I can understand short, simple personal messages.</p>                                                              | <p>I can understand texts written in everyday language or related to my field. I can understand personal letters describing events, feelings, and experiences.</p>                                                                     | <p>I can understand long, complex factual and literary texts and recognize different writing styles. I can read specialized articles, technical instructions, and abstract texts without difficulty.</p>                                |
